

# SKYLIGHT FESTIVAL

Thank you for your interest in being part of the Skylight Festival!

Skylight began in 2013 when a group of United Church of Canada leaders and a group of Mennonite Church Canada leaders both attended the Greenbelt Festival of faith, justice and arts in the U.K. By early 2015, there was a movement to try to create a similar festival in Canada, and there was so much passion that that festival materialized in the summer of 2015!

The festival has been carried by a small number of people over the years, but we'd like to change that - and maybe that's where you come in! Our organizational structure is evolving, but currently we have a vision team whose role is to hold the big picture of Skylight, and a management team comprised of the management team chair, treasurer and the chairs of the operations, relationships, and program teams. In a nutshell, the operations team looks after physical space and registration; the relationships team looks after community building and festival promotion; and the program team creates the festival's continuously amazing line-up of contributors! A new team, in charge of generating funds, is in the works...

We're looking for new voices and new points of view, so we'd love to know more about you! If you could answer the following questions, it would help us to better know your gifts and area(s) of enthusiasm. You'll hear back from us soon. Thank you.

1. What about Skylight sparks your imagination or captures your interest? Why do you want to be involved?
2. What gifts do you bring and what skills would you share with the Skylight team? Do you see yourself offering big picture ideas or are you more task oriented?
3. Some roles are more time consuming than others. What time do you have to offer to the work of the Skylight Festival? Are you able to commit during the year or only during the festival?
4. Do you have ideas already about where you might fit into the Skylight team?
